

## Support David Oaks' Independent Living

*Sponsored by Friends of David Oaks*

The Friends of David Oaks Committee invites participants from Alternatives 2013 in Austin, Texas to a fundraiser dinner to support David to obtain a wheelchair accessible van. David Oaks is the former Director of MindFreedom International. He has given 30 years of his life to activism and fighting for human rights in the mental health system. Let's give back to him in his time of need!

David has often attended the Alternatives conference and had an exhibit table with the latest books, information, and DVDs on alternatives and non violence in the mental health system. David inspired many people to take action "to build bridges between the islands," and to believe they could create a new life for themselves, and get involved in advocacy and activism for human rights.
