

## Home-care Workers Help Wanted:

### Permanent and Fill-In Positions

### Work with long-time activist and recently- disabled David Oaks.

I am looking to hire more home-care workers. I have worked in disability rights, especially mental health, my whole life. In December 2012 I broke my neck. I am in a power-chair with paralyzed legs and partly disabled arms. This disability impacts my voice and has even fused my spine. Except for those pesky things I'm doing alright!

My main interest now for my activism is the climate crisis. You may find out more information about me at my blog: <http://www.davidwoaks.com/> Click on "Help Wanted." You may also Google my full name David W Oaks. I am now 58 and I'm very grateful for a wonderful team of people who help me and my wife Debra at home here in the Churchill neighborhood of Eugene.

***I will then send you more info about this position. I have both substitute and permanent shifts available immediately, this spring 2014. Act soon to join Team Oaks!***
