

*Free Street Theatre!*

## **“Ghost Buskers”**

April Fools Day, this Saturday,  
April 1, 2017

6 to 7 pm

Kesey Square, Willamette & Broadway, Eugene, Oregon

This is a peaceful creative street theatre called "Ghost Buskers." You can just watch, or play along. Will we start a revolution and reach the year 2192, which is seven generations down the line?

The troupe includes activist David Oaks, folk singer David Rogers, performer Dale Kegley, humorist Howard Falk, activists Sue Barnhart, Clay Hurand, and Ian McTeague. And you? Play Ask-It Ball designed by Ken Kesey.

Sponsored by the International Association for the Advancement of Creative Maladjustment. The IAACM is dedicated to peaceful action for social and environmental justice. In this day and age that is revolutionary! Performance in memory of Violet Oaks.
